

Podcast English

Reading Worksheet — Level C | tahricteaches.com

Do you want to learn English in a fun way? A **podcast** is a great tool for this. A podcast is like a radio show on the internet. You can listen to it anytime and anywhere you want. Many people use podcasts to practice their English every day. It is easy and free to start.

Every podcast has many shows called **episodes**. Each episode is about one topic. Some episodes are short — only five minutes long. Others are longer, maybe thirty minutes. You can choose what you want to listen to. This makes learning very easy and very fun.

The person who talks on a podcast is called the **host**. The host speaks clearly and slowly on English learning podcasts. Some hosts speak with a British accent. Others have an American accent. Listening to different hosts helps you understand many kinds of English. You can also learn about different cultures this way.

You do not need much to start. Put on your **headphones** and open a podcast app on your phone. Many good podcasts are free. You can listen on your phone, tablet, or computer. You can listen on the bus, at home, or during a walk outside.

A good **listener** improves quickly. Try to listen to one episode every day. Write down new words that you hear. Repeat the sentences out loud. Podcasts are a wonderful way to hear real English spoken naturally. Start today and watch your English get better and better!
